EXPLANATION OF THIS FORM

This form is used to gather information to prepare the *2017 North American Fireworks Trade Directory*. If your company, or you as an individual, perform firework displays, manufacture, import, export, buy or sell fireworks, or if you or your company provides a service or sells a product to the fireworks trade, you may be listed in the *Trade Directory*. ***There is absolutely no charge of any kind for this listing.***

SCHEDULE OF EVENTS

The *North American Fireworks Trade Directory* is prepared completely new each year. We contact each company or individual listing that was published in previous directories, and all the new companies or individuals that we have discovered since the last printing. Every effort is made to find all the fireworks companies and their principal suppliers. To successfully complete this task, we must rigidly adhere to the following schedule:

July 20 - Listing forms are mailed to all known companies and individuals

September 16 - Official closing date for listing information.

November 1 - Begin shipping *2017 North American Fireworks Trade Directories*
